

VETERANS OF FOREIGN WARS.

Solveson-Moos-Abrahamson
Post 2260 - Oconomowoc, WI

November 2024

Dear fellow Patriot and Neighbor,

I hope this letter finds you well. My name is Garret Collins, and I have the honor of serving as the Commander of VFW Post 2260 in Oconomowoc, Wisconsin. I am writing to you today with an exciting opportunity and a heartfelt request for your support.

VFW Post 2260 has been a cornerstone of the Oconomowoc community for ninety-three years, dedicated to serving our local veterans and the community at large. We have a strong track record of providing essential services, support, and camaraderie to those who have served our nation. Our commitment to this mission is unwavering, and we are always seeking ways to enhance and expand our impact.

We are currently in the process of acquiring a property located at 800 E. Wisconsin Ave., which is adjacent to our current post home at 830 E. Wisconsin Ave. This acquisition is a significant opportunity for us, and we have already taken important steps toward making it a reality. We have signed a letter of intent with the current owners, agreed on a purchase price of \$400,000, and secured a timeframe to raise the necessary funds. Our post has committed \$45,000 from our own account towards this purchase, demonstrating our dedication and confidence in this endeavor.

The potential uses for the property at 800 E. Wisconsin Ave. are numerous and align closely with our mission. Initially, we envision creating a green space that can serve as a place of reflection and relaxation for our members and using it for overflow parking for our events and gatherings. Ultimately, we desire to construct a new post home that can better accommodate our activities and membership.

To achieve this goal, we are reaching out to individuals and businesses in our community who share our values and commitment to supporting veterans. We kindly request your financial assistance to help us raise the remaining funds needed to complete this purchase. Your contribution will not only enable us to acquire this property but will also play a crucial role in enhancing the services and support we provide to veterans and the community.

We deeply appreciate any amount you are able to contribute. Donations can be made by check, payable to VFW Post 2260, and mailed to our address:

Sincerely,
